

Position: Landscape Architect/Restoration Practitioner
Start Date: January 2020
Status: Full Time Jan-Dec 2020
Salary: D.O.E.

Fred Phillips Consulting (FPC) is looking for an entry/mid-level Landscape Architect/Restoration Practitioner in their Flagstaff Arizona office. I am looking for a driven inspired assistant in my practice that has a willingness to learn, is self-driven has a broad range of talents. You must also have a positive attitude and healthy work/life balance and be able to work alone in a small two person office. For the last 25 years Fred Phillips has been a leader in resource management, landscape design and ecological restoration in the southwest. This position will include (but not be limited to) the following duties:

- Completing planning and construction documents for wetland and riparian restoration, trails and park projects.
- Performing site analysis on restoration sites including wetland delineation, biological surveys and soil analysis.
- Assist with project management.
- Completing ARC GIS/CADD mapping/design of large scale restoration projects.
- Developing perspective sketches, renderings and details of designs.
- Assist with completing technical wetland restoration plans, wetland delineations and biological reports
- Will include running a restoration crew on several remote ecological restoration projects.
- Assisting with business admin and office management in a small two person office
- Assisting with design details, research and presentation graphics
- Writing grant applications

Must have a degree in Landscape Architecture, Wildlife Biology, Ecological Restoration, Environmental Engineering or similar and practical experience in the field. Must have strong graphic and writing skills and be able to work independently in a demanding work environment. Must be proficient in AutoCAD, Arc GIS, and ADOBE CS and Microsoft office. Technical writing skills, working in challenging remote field conditions, outdoor guiding/field experience, heavy machinery operation, landscape construction and experience working with diverse cultures preferred. Must have strong graphic skills.

FPC offers sick and annual leave, biannual bonuses and other benefits. Our newly remodeled state of the art office is located in beautiful downtown Flagstaff, AZ. If you want to learn ecological restoration planning, design, fundraising and construction and work with diverse communities this is the job you've been waiting for. The learning curve is steep and challenging.
